Dear Alan,

Ofsted Inspection of Crowmoor Primary School

I am writing to congratulate you on your Ofsted judgement of good.

I know that this represents considerable work and commitment from all the staff in your school and I would like to pass on my thanks to them and also to your governing body.

I was particularly pleased to see the references in the Ofsted report in respect to the good quality of teaching, rising standards and good progress being made by pupils; together with the recognition of the drive of the Headteacher and of the governors, which has resulted in so many good improvements since the last inspection. It is pleasing that inspectors also recognised how highly successful the school is at helping pupils, and improving pupil behaviour whilst instilling positive attitudes to learning.

We within the Local Authority will do our best to assist you in addressing some of the priorities for action.

Lastly, can I thank you personally for your leadership of the school and the difference that you have made to children and young people in Shropshire as a result.

With best wishes.

Yours sincerely
